

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tedious it would be to tidy up your own house after throwing a big party, without aid from cleaning machines. Back in the day, when carpets and upholstery had the dirt beat out of them by hand; brooms, cleaning cloths and brushes were the state-of-the-art cleaning supplies of that time.

P.A. Fisker, the man who established Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Starting the company in the year 1906, he started to produce motors to be able to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's vision from the beginning was to have a worldwide company selling merchandise internationally.

The Nilfisk C1 was an incredible breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one individual. This creation came in a time where numerous cleaning equipment were huge and needed 4 or more operators, hence, the Nilfisk C1 transformed everything and developed the way we clean forever. The brain behind these first cleaning machines remains unparalleled. Cleaning equipment provide an excellent solution to an existing crisis; stuff get dirty and should be cleaned regularly, without a lot of effort.

Little by little, the business Nilfisk-Advance expanded through the years. In the early nineteen eighties the company expanded more rapidly when the company became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the business, trying to be an active international player in making professional cleaning equipment. Nilfisk-Advance is now found in all parts of the globe by gradually obtaining many smaller businesses to be able to expand their product range and presence in new markets. They are really proud to offer various cleaning solutions to suit every requirement.
