

Fork Mounted Sweepers

Fork Mounted Sweeper - The lift truck mounted broom accessory can truly make industrial sweeping jobs a lot easier. Designed for use on either wet or dry surfaces, this mounted broom attachment can squeegee water and push snow without problems. This attachment is usually utilized to be able to clean trash from construction sites, docks, parking lots, warehouses and practically anyplace it is required. The lift truck sweeper is a low maintenance accessory which uses quick-tite fork products to effortlessly connect to the forklift.
